

The Driftwood

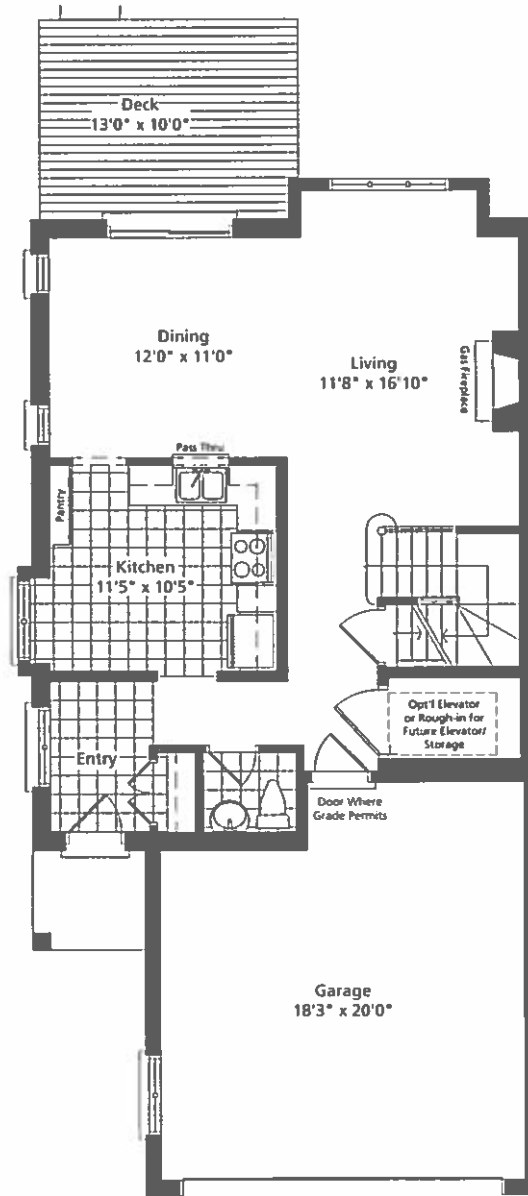

1755 Square Feet*

Our Driftwood home features a light-filled front entry, convenient main floor powder room and contemplates the installation of an optional elevator, providing easy access to all levels. The charming kitchen overlooks the dining room and living room with fireplace alternate plan. Luxuriate in a master retreat with spa-like ensuite, large walk-in closet and a sitting area. A spacious studio, 3-piece bath and second floor laundry complete this fantastic home. * Includes stairs and open to below area if applicable.
